

MCTEC RENAISSANCE JOURNEY

“BE COOL IN SCHOOL --- WIN A CAR”

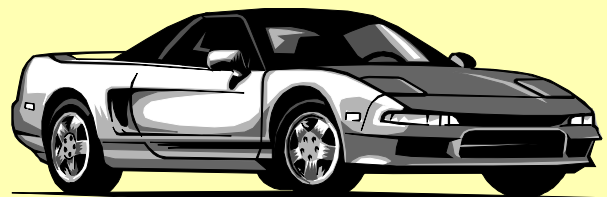

Here Is How The Journey Works!!! Each time you earn a **Renaissance Point**, your name is placed in a fishbowl for a future drawing. You may earn many points during the school year; there is no limit. Just before exams next May, a car will be given away to some well-deserving MCTEC student. That student can be **YOU!** Twenty balloons will be mounted on a display board. Each balloon will contain a number. One balloon will contain the winning number that matches the key to the car; twenty names will be drawn from the fishbowl and each student, in order of drawing, will break a balloon and receive a number. When all twenty names have been drawn and all numbers given out, students will open envelopes matching their numbers to see who wins the car. The vehicle will be road worthy at the time of the drawing; however, before the vehicle will be permitted to leave Center property, it must be properly titled, licensed and insured by the winner or winner’s parent/guardian.

YOU CAN EARN POINTS AND MAYBE WIN THE CAR BY:

- Being on the HONOR ROLL at MCTEC (average of 93 or above) or being named as a STUDENT OF THE MONTH
- Having perfect attendance during a quarter at MCTEC
- Receiving a commendation from your MCTEC instructor for significantly tutoring or assisting another student without be asked to help by your instructor
- Demonstrating outstanding performance at MCTEC (outstanding project completed, outstanding service to the school, etc. – determined by your MCTEC instructor)
- Maintaining a discipline-free quarter at MCTEC
- Receiving a letter from a responsible adult or community group citing your outstanding service to your community
- Being a Senior accepted at a college, accepted in the military or having a part-time job or full-time job (after graduation) directly related to your MCTEC studies

THE MORE YOU ACHIEVE THE MORE POINTS YOU EARN THE GREATER YOUR CHANCE OF WINNING THE CAR.

GOOD LUCK STUDENTS!!!

The Journey has begun!
